

Our boat ramp and rainforest spit allow easy access to the river for fishing for that mangrove jack, barramundi or croc spotting.

Our uniquely designed brand new ablutions constructed from raw materials retain the rustic feel of the outback while providing hot showers and flush toilets.

We are also a working farm with Stud Brahman and Working Clydesdale horses. Often you will be visited by one of the family either riding or driving a horse in harness.

All animals are friendly and maybe petted and we welcome all hands on deck around feeding times.

Endeavour River Escape Nguumbaar - Nguumbaar

Bush camping made easy

'Life began here.

This land remains the home of our ancestor spirit'

Steeped in aboriginal history with the Endeavour River forming our Eastern boundary and 250 acres of bushland and rainforest.

We have carefully selected secluded easy access drive in – drive out bush campsites with your own personal campfire and B.B.Q.

Adjacent is the camp kitchen with a free large 6 burner B.B.Q., seating for over 20 people and a group campfire place.

If you enjoy butterflies, birds and native wildlife our rainforest walks along the Endeavour River or Cameron Creek will delight you.
